

#MOONSHOT4KIDS

Program for Congressional Briefing

DIPG, Pediatric Brain Cancer, and the Importance of H. Res. 114

11am, Thursday Feb. 13, The Gold Room (2168), Rayburn HOB

Welcome

Janet Demeter, DIPG Advocacy Group, Jack's Angels Foundation

Introduction, H. Res. 114 Overview

~ PANEL ~

Dr. Sabine Mueller

Adjunct Associate Professor University of California San Francisco
Director, DIPG Centre of Excellence, University Children's Hospital Zurich

- Clinical reality of DIPG; treatments abroad -

Dr. Adam Resnick

Director of Data Driven Discovery in Biomedicine, Children's Hospital of Philadelphia (CHOP)
Scientific Chair, Children's Brain Tumor Tissue Consortium (CBTTC), PNOG

- The value of DIPG research to science, industry, and data management -

Dr. Charles Keller

Scientific Director, Children's Cancer Therapy Development Institute (cc-TDI), Beaverton, OR
