*In reference to children currently battling a brain tumor:*

"Please help attach hope to pediatric brain cancer, the leading cause of death in children with cancer. Kids fighting DIPG and other deadly brain tumors need to know we've got their back! **Please cosponsor H. Res. 114** in honor of (name) and so many others like him across the country who are fighting for their lives, and those who have lost their fight in obscurity. These kids deserve more from us...but how can we unless people are aware? We need your help; **thank you for honoring my request as your constituent.**"
